

# Case Study: Kendal College

Photography Supplied By: Kendal College

## **KENDAL COLLEGE**

### **Reynaers Specified In 'Building of the Year' Nominee**

Nominated for the LSC 'Building of the Year' award Kendal College was completely transformed with the completion of a £12.9m new build project, which specified Reynaers products throughout.

Reynaers CW curtain walling, CS68 and CS24 profiles are used to help create a brand new reception block, new conference and seminar suites, hairdressing salons and a 250 seat café with an external balcony. The result was a building that was not only aesthetically pleasing, but also superbly functional.
