

# Case Study: St. Birinus School

## ST. BIRINUS SCHOOL

### Best In Business Science Labs Use Reynaers Products

Hailed as having the best science labs in the country by TV scientist Dr George McGavin, St Birinus School in Oxfordshire, uses Reynaers products in its new £4.8m facility, which houses 13 state-of-the-art laboratories.

Both Reynaers CS68 windows and CW curtain walling provide a light and comfortable working environment for the Didcot school's students. The architects of this modern and forward thinking school knew that Reynaers offered the best solution to their requirements with a stunning, yet highly functional building.
